IMPORTANT NOTICE to PUBLISHERS, BOOKSELLERS

AND OUR SUBSCRIBERS GENERALLY

IN order to increase the value of the **Publishers' Circular and Booksellers' Record** as a means of bringing Publishers' Announcements rapidly under the notice of the whole Bookselling Trade, at Home and Abroad, and to increase its usefulness as a medium

**FOR ALL WHO WISH TO BUY OR SELL BOOKS, NEW OR OLD, OR
OBTAIN INFORMATION ABOUT THEM,**

We have decided to issue the **Publishers' Circular** **ONCE A WEEK** instead of twice a month, and have **Increased the Size of the Page** from 8vo. to 4to., thus allowing larger illustrations to be printed than has been the case hitherto.

In the Editorial and New Book List Departments no trouble or expense is spared to make them as complete as possible.

Our aim is to make this Journal **indispensable** to the Publisher and to the Bookseller, and, as we have now some thousands of Annual Subscribers, we confidently hope the British and Irish Publishing and Bookselling world will support us in our endeavour to place them on the same footing as their brethren in America, France, Germany, Holland, &c., by giving them a **Weekly Trade Organ**. (*See special advantages given to Annual Subscribers.*)

GENERAL

In addition to its *special* circulation amongst the principal firms in the Book Trade at Home and Abroad, the *Publishers' Circular and Booksellers' Record* has a general circulation amongst **Literary Men, Authors, Reviewers, Librarians, Heads of Colleges, Literary Agencies, Secretaries of Clubs, &c.**, and its columns are open to correspondence on literary matters of every kind.

From the above, necessarily brief, particulars respecting the special nature of the circulation of the *Publishers' Circular and Booksellers' Record*, it will be seen how unequalled are the advantages it offers for bringing

ADVERTISEMENTS

of all kinds promptly and *directly* before those for whose notice they are inserted, and who buy the '*Circular*' for this information.

(To Non-Subscribers the price of the Christmas Number is 2s. 6d.)

Members of the Trade are invited to send any information likely to be of service and general interest.

N.B. A Signed Order must be sent with all Advertisements. Trade Prices must not be given.

Two Special Educational Numbers are issued during the year, appearing in January and August. Copies of these Numbers are sent to every important School in the Kingdom and the Colonies, affording special facilities for Advertising School Books, Furniture, Stationery, and all effects appertaining to Schools.

An Export Number is issued in May, of which **SOME THOUSANDS OF EXTRA COPIES ARE PRINTED**, and sent to all the important Buyers of Books, Stationery, &c., throughout the World.
